

Safety

Safety is a non-negotiable priority. For your safety and the safety of others, carefully follow the rules of conduct and procedures in the case of an emergency.

EVACUATION

Vocal message advises to evacuate the building.

In case of evacuation, please follow your chaperon instructions to reach the assembly point.

- Do not run inside the building;
- · Hold on to handrail when walking on the stair;
- Respect all safety signs;
- · Make responsible use of your mobile: avoid calling and text messaging while walking;
- · Keep you visitor's badge visible at all times;
- · Always keep your hands free while walking;

HEALTH

In case of emergency please contact:

112

EUROPEAN EMERGENCY TELEPHONE

ENVIRONMENT

Respect the recycling instructions on each recycle bin.

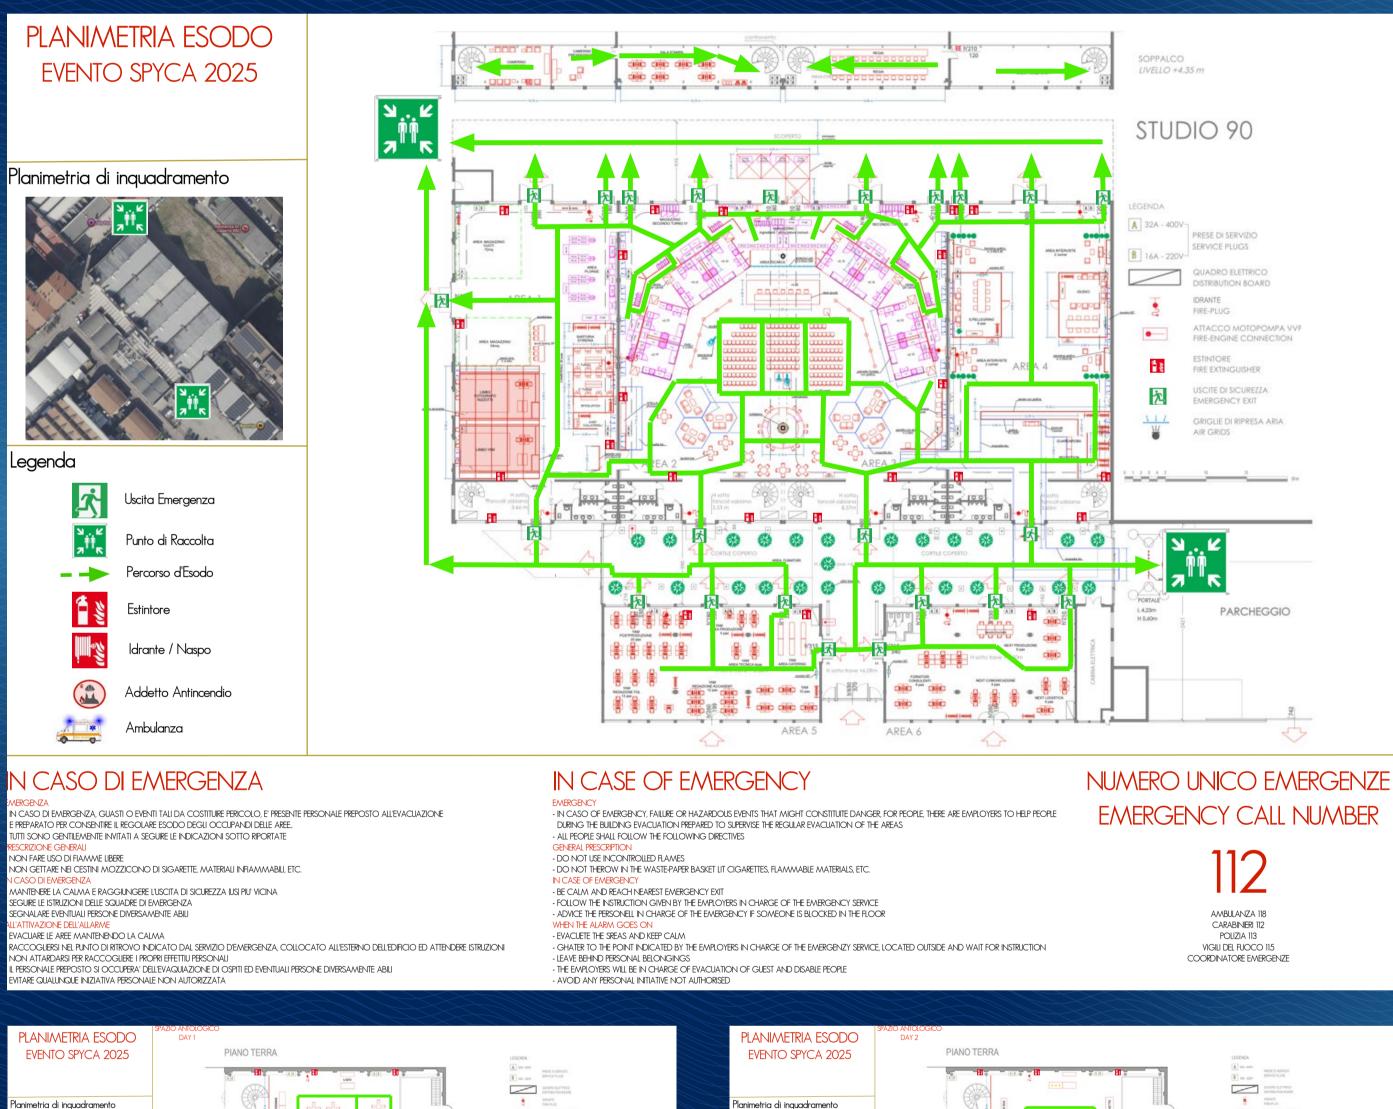

There are specific RECYCLE BINS for materials such as: PET, plastic, paper and coffee capsules. Put what is not recyclable into the general waste bin.

SMOKING POLICY

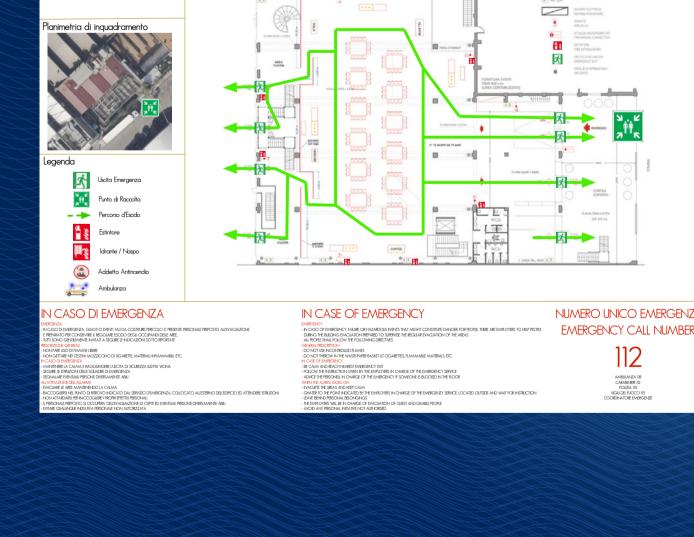

Smoking is forbidden:

- Inside the whole building
- · Outside except in the identified smoking area
